Subject: EPA NEPA comment letter

Hi Mark-

I understand that the USACE will eventually post all the Draft EIS comments on the SharePoint site. However it is not clear how long that will take. As you can imagine we are very interested in EPA's comment letter and so I am writing to see if you could send me a copy of your Draft EIS comment letter after you send it to the USACE.

Thanks –
Patty

Ps. Attached is recent resolution from Aniak. Just fyi.
